EDUCATION & CERTIFICATIONS

- | | |
|------------|--|
| May 2022 | Microsoft Technology Associate 98-375: HTML5 Application Development Fundamentals , Microsoft Certification |
| March 2022 | Full Stack Web Development Certification , Texas A&M International University |
| June 2011 | Master of Public Administration , Evans School of Public Affairs, University of Washington |

WEB DEVELOPMENT PROJECTS

- | | |
|-------------------|--|
| July 2022-Present | Noodish Indo-Asian Restaurant Website ,
https://nicolesoeng.github.io/Noodish/

Working with client to develop user-friendly and visually appealing website for a start-up Ramen restaurant. Utilizing the React JavaScript library, I created a menu template that can be updated by the client. |
| May 2022-Present | Navy Officer Recruitment Website ,
https://nicolesoeng.github.io/NavyOfficerRecruitment/

Multi-page website still in development, created with the Bootstrap CSS framework for Navy Officer Recruitment. Uses HTML5, JavaScript and CSS3 animations and transitions along with media queries for responsive design. |
| March 2022 | Math Facts Game , https://nicolesoeng.github.io/Math-Munchies/

JavaScript coded elementary math game that allows users to select between addition, subtraction, multiplication, and division. Includes choice of avatar, timer, error counter, and sound effects for correct/incorrect answers. |
